FLOORS AUSTRALIA

THE FINEST EUROPEAN WOOD FLOORS

PAL 1343 - Wengé oak silk

Enjoy immediately

Quick•Step® is the inventor of Uniclic, the strongest, most versatile and easy to use joining system in the world. Uniclic is suitable for both the home handy man as well as professional installer.

Unlike other wood floors, there is no post installation work for your Quick•Step® flooring. That is because 7 protective layers of lacquer finishing are applied in the factory. This means there is no sanding of the floor, no mess with dust, and no varnishing, oiling or painting at all.

PAL 1345 - Limed grey oak matt

If you want warmth and grace in your home, nothing surpasses the glory of a wood floor. You'll never tire of its exceptional beauty, and it will give you a lifetime of pleasure. Moreover, a beautiful wood floor is the ideal basis for every style and every interior.

As a dedicated flooring company, Quick•Step® is delighted to bring you our line of innovatively engineered wood flooring:

Palazzo

PAL 1345 - Limed grey oak matt

PAL 1346 - Old grey oak matt

PAL 1342 - Fossil oak matt

182 cm

= 14 mm

1 box = 6 planks = +/- 2,748m²

PAL 1347 - Cottage oak matt

PAL 1348 - Mocca oak mat

PAL 1343 - Wengé oak silk

All our Quick•Step® wood floors are CE labeled. This signifies that our products have met EU consumer, safety, health and environmental standards. Indeed all our floors are tested in recognised laboratories and we meet all the minimum requirements.

HEVEA CORE

Originally planted for its latex production, Hevea - the core of most of our wood flooring - comes from a tree that is better known as Rubberwood. After 25 years, these trees no longer yield sufficient latex and are logged. In the past, farmers used to burn these trees but now Quick•Step® recycles and uses the wood to produce quality Quick•Step® wood flooring.

The perfect engineered wood floor

7 layers of lacquer

3mm solid wood layer

recycled hevea core

ecological certified veneer

PAL 1348 - Mocca oak mat

Quick-step, with the q of quality

Quick•Step® Palazzo is a highly scratch- and wear-resistant wood floor compared to other wood floors.

7 protective layers of lacquer finishing help create a dirt-repellent, easy to clean wood floor with enlarged resistance to water and household chemicals.

PAL 1346 - Old grey oak mat

PAL 1347 - Cottage oak matt

Wood in all its glory

The Quick•Step® Palazzo collection is wood in all its glory. Beautifully proportioned, these long and wide planks will add warmth and character to any room.

You can sense the hand of a master-craftsman in every plank of the Palazzo range. All designs have a subtle V-joint on the longest side of each plank, which adds depth and perspective to any room.

PAL 1342 - Fossil oak matt

*A lifetime warranty**

With a lifetime warranty* you'll never have to worry about your Quick•Step® wood flooring.

*Conditional warranty

A heart for nature

With Quick•Step®, you are bringing an ecological product into your home.

Stable, hard & durable wood

3 different layers of real wood and a protective finish guarantees a stable and durable result.

Enjoy immediately

Before it leaves the factory, a protective finish has been applied to your wood floor. It's ready to be installed and used, straight out of the box.

When we say fast, we mean fast

Click your wood planks together with the Uniclic® Multifit system, in contrast to most other click profiles, your floor can be installed anywhere, quickly and easily.
